

# BADGES

## FOR AUTHORITY

Built to leave a lasting impression, our custom badges are available in a variety of designs with more color, detail and shine than any other manufacturer. Offered in integrated or layered designs, solid or plated in a variety of distinctive finishes, there is simply no comparison when it comes to the striking quality of a customized SymbolArts badge.

### Multi-Dimensional

The 3-dimensional relief and layered attachments of our badges gives them a sculptural quality from every angle.

### Hand Crafted - Custom Design

Your badges will be custom designed and individually pieced together resulting in a one of a kind product for your department.

### Detailed Center Seals

Our center seals are soldered to the badge and created with great attention to quality and vibrancy that truly stand out!
