

CHALLENGE COINS

FOR RECOGNITION

Challenge Coins are a great addition to any recognition program within your department, corporation or organization. Our coins are fully customizable in order to best match your needs and to honor those receiving the award for their hard work.

Contact your SymbolArts Representative to start the design process today.

US Air Marshall
Cutouts, Hard Enamel, Nickel Plating w/ Applied Antique

Soft Enamel

Paint is air dried, creating a dimensional look at a lower level than the metal borders. Comes in more color options.

Hard Enamel

Best quality, the paint is heated at a high temperature to harden, then polished smooth. Very durable.

2-D & 3-D

2-D coins are flat with some relief in the metal typically filled with enamel. 3-D coins have a raised, sculptural quality with high relief and typically no enamel fill.

Custom Shapes, Sizes & Edges

Ask your SymbolArts representative about other ways to customize your coin like adding a unique edge, cut outs or creating your own shape and size.

Single-Tone & Two-Tone Platings

Gold

Copper

Nickel

Chrome
