PATCHES

At SymbolArts we understand that patches are an integral part of every uniform. That's why we put so much care into each patch we produce. Our patches are made with fade-proof colors and constructed with durable materials to endure all sorts of wear and tear. Merrow or heat-cut edges ensure that your patch will not fray, and hard PVC backing prevents the patch from crinkling. Our PVC patches, constructed from soft rubber, provide a clean, crisp alternative to the traditional fabric patch.
