# ALTERNATIVE BADGES

## FOR UNITY

Our PVC and metallic DuraFlex badges are designed for a higher level of detail, sharper contrast, and brighter color than traditional embroidery. These badges are made out of a flexible material and is a modern alternative to traditional embroidered uniform patches. Velcro or 3M adhesive tape makes them easy to attach and change out for events and awareness campaigns.

DuraFlex Metallic

## PVC/DURAFLEX BADGE FEATURES

Customizable designs allow for finish and rank changes.

We can match any design, it doesn't have to be a SymbolArts badge.

DuraFlex offers a metallic finish. PVC uses yellows and grays in place of gold and silver.

Cutouts or holes are not available in PVC but are an option with a DuraFlex badge design.

Both durable and lightweight, won't feel heavy on your clothing.

### Velcro Backing

Allows for easy attachment and removal from vests, jackets, or other outerwear.

# CHALLENGE COINS

## FOR TEAMWORK

Challenge Coins are a great addition to any recognition program within your department, administration or association. Our coins are fully customizable in order to best match your needs and to honor those receiving the award for their hard work. Ask your sales rep about the latest and greatest design options like raised 3D printing.

Fairfax County Police  
2D, Hard Enamel, Nickel Plating

### Soft Enamel

Paint is air dried, creating a dimensional look at a lower level than the metal borders. Comes in more color options.

### 2-D & 3-D

2-D coins are flat with some relief in the metal typically filled with enamel. 3-D coins have a raised, sculptural quality with high relief and typically no enamel fill.

### Hard Enamel

Best quality, the paint is heated at a high temperature to harden, then polished smooth. Very durable.

### Custom Shapes, Sizes & Edges

Ask your SymbolArts representative about other ways to customize your coin like adding a unique edge, cut outs or creating your own shape and size.
